Wesfarmers' primary objective is to provide a satisfactory return to shareholders

We believe it is only possible to achieve this over the long term by:

Anticipating the needs of our customers and delivering competitive goods and services

Looking after our team members and providing a safe, fulfilling work environment

Engaging fairly with our suppliers and sourcing ethically and sustainably

Supporting the communities in which we operate

Taking care of the environment

Acting with integrity and honesty in all of our dealings

Demonstrably performing, consistent with our values

During this challenging year, our businesses and team members played a critical role in supporting customers, partners and the communities in which our businesses operate

Anticipating the needs of our customers and delivering competitive goods and services

- Adjusting in-store processes to support customer safety, demand and availability
- Adapting online channels to meet customer needs, supporting 60%¹ growth in online sales

Supporting the communities in which we operate

- More than \$68m in direct and indirect community contributions
- Operating dedicated services for vulnerable customers needing assistance with online channels

Looking after our team members and providing a safe, fulfilling work environment

- 23% reduction in Group TRIFR to 10.4
- Two weeks COVID-19 leave for team members required to self-isolate or care for others
- Commitment to pay team members during Victorian stage 4 restrictions²

Taking care of the environment

- Good progress towards published emission targets and continued investment in projects to reduce carbon footprint
- 12% increase in recycling and 5% reduction in landfill

Engaging fairly with our suppliers and sourcing ethically and sustainably

- Maintaining business continuity and payment terms to provide certainty
- Continuing to support suppliers through accelerated payment, in cases of hardship

Acting with integrity and honesty in all of our dealings

- All actions and decisions continue to be guided by our purpose and long-term objective
- Collaborating with state and federal governments to coordinate on COVID-19 response
