Register of ASX Operating Warrant and AQUA Rule Waivers

Rule Number	10A.10.8
Date	14/04/2021
ASX Code	VET
Listed Company	VANGUARD ETHICALLY CONSCIOUS AUSTRALIAN SHARES ETF
Waiver Number	WLC210063-001
Decision	1. Based solely on the information provided, ASX Limited ('ASX') grants Vanguard Investments Australia Ltd (the 'Issuer') a waiver from ASX Operating Rules Schedule 10A.10.8 to the extent necessary to permit the Issuer to appoint Jane Street Financial Limited ('Jane Street') as its market maker agent on condition that the Issuer and Jane Street have adequate procedures and arrangements in place which support the liquidity in Vanguard Ethically Conscious Australian Shares ETF (ASX: VETH).
Basis For Decision	<p>Underlying Policy AQUA Products admitted to Trading Status which propose to satisfy ASX Operating Rule 10A.3.6(b) require the AQUA Product Issuer to appoint a Trading Participant to perform AQUA Product Market Making functions where the AQUA Product Issuer is not a Trading Participant or does not directly make a market in all or some AQUA Product Series.</p> <p>Present Application The Issuer is seeking to replace its existing lead market maker for the Fund. The Issuer proposes to conduct liquidity activities via an agency agreement with a party, of which both are not a Trading Participant, but will have an arrangement in place to enter bids, execute and settle orders with a Trading Participant. The Issuer and agent have adequate procedures and arrangements in place which support liquidity activities and the ability to enter and execute orders on a timely basis through a Trading Participant to meet its requirement to provide a reasonable bid on an ongoing basis under ASX Operating Rule 10A.3.6(b). As it appears that the Issuer will otherwise comply with the requirements of ASX Operating Rule 10.A.3.6, it is proposed to grant the waiver.</p>
